Our club and canteen are run entirely by volunteers. To help keep our costs down and ensure we can continue providing affordable baseball for our members, we ask all players to do their part by taking a turn on the canteen roster each season. Please support your club by fulfilling your rostered shift. If you are unable to attend your allocated shift, it is your responsibility to arrange a swap with another player or family from your team.
We always aim to keep the roster to one shift per player wherever possible, although this is not always achievable.
We sincerely appreciate your time, support and willingness to volunteer. Our club relies on the contributions of our members and families, and every helping hand makes a difference!

Thank you for supporting our club!
