

Club Song

Give a call, give a call
We're the boys who play baseball,
We're the boys from the old Senators,

Pitch 'em fast, pitch 'em fast,
And the others will not last,
We're the boys from the old Senators,

And it's innings after innings,
And we're still in the lead,
Just what the coaches always need,
More Runs!

As the umpire calls it game,
And we've won it once again,
We are the boys from the old
Senators,
More Runs!
