From the Chairman

Firstly, it has been an honour to be appointed Chairperson of the Woodville District Baseball club prior to the start of the summer season, and I thank the board and the members for the opportunity to lead a club that I've been involved with all of my life and which my family have a long and proud association with. I will endeavour to continue to do my best in conjunction with the board in seeking improvement, growth and development of the club both on and off the field.

I must thank the board who have been an outstanding support for me, a big thank you to Jane, Jo, Alyssa, Shane, Mick, Rev, Renae and Amanda, and to Cam who departed overseas to Tassie in January. I look forward to continuing to work with the board as I feel we are all seeking to see the club in a good place for both now and the future.

To the players of the 2018/19 season I thank you in all grades for your efforts, in what was a particularly difficult season with the departure of many players for various reasons just prior to the start of the season. I feel confident that the club is heading in a good direction and we have been working hard off the field to try and ensure next season sees considerable improvement across the grades.

Seniors Notable Mentions for 2018/19

Firstly, I was very proud to see our inaugural Women's team playing all season in the Div 1 Women's competition and narrowly missing finals in their first year, it brought a great atmosphere to the club on Friday nights along with the T ball and junior trainings. In particular, congratulations to Carly Moore and Darna Veen who were both in the Top 10 in the Capps medal count, and members of the recent Bronze medal winning team for South Australia which was a fantastic effort and a really good indication on where Women's baseball is in SA, also congratulations to Lawrie Moore in coaching this side.

The Div 7 side winning the premiership was a real highlight and something I was personally proud to be a part of and getting to play with a great bunch of guys, many of whom I've known since I was a kid, we had a great competitive side and had a load of fun along the way. Congratulations also to Garry Marsland and Steve Couzner who made the top 10 in the Capps medal count.

The Div 6 side highlight was obviously Keith Mortimore's 1000th game, what an achievement from a stalwart of our club. A fantastic day that will long live in the memory for those who attended and to get the win for Keith in a classic come from behind win was just the icing on the cake. The Div 6 side were competitive all season and good to see some new faces join the ranks and thanks to Shane Lodge who coached the side which he has for many years. Congratulations also to Jesse Whinnen for making the top 10 in Capps voting.

The Div 4 side had many uphill battles throughout the year and were to be admired for their great approach all year in getting up each week and keeping it positive and enjoying their baseball. A big thanks to Dave Lodge and Troy Kortekaas for their help with the side.

WOODVILLE DISTRICT BASEBALL CLUB ANNUAL REPORT 2018/19

Div 2 had a great season with a finals appearance in a close contest with Southern Districts and competed with great spirit and teamwork and had some great wins throughout the year, a big thankyou to Shane and Troy Nicholson who coached the side, even when Shane copped a nasty whack to chin in pre-game batting practice requiring stitches and still came back to coach the game, well done guys.

Div 1 competed hard all season, but also had some memorable wins; the one away to Kensington was probably the highlight and thanks to all the players, many of whom were playing two games on a Sunday to keep this up and competitive all season. A big thanks to our coach, Gary Owens, and his assistants Lawrie, Shane, Troy and Will. We will be aiming to build on this season and get some more players to ensure we continue to be competitive.

Junior Highlights

The Pee Wee team had a great time on Sunday mornings and had so much fun winning some good games along the way, a big thankyou to Shane Brown and David Lodge for their leadership with the team in making it fun, and also teaching the kids the initial basics of the game.

Under 15s had a few good wins throughout the year and had some good performances, numbers were a bit of a struggle at times and thanks to some of kids playing two games to assist. Congratulations to Johnny Von Senden for making the top 10 in the Capps medal count. Thanks to Carly Moore, Jack and Nick McCormack for their guidance of the team.

Under 17s also had some nice wins and some good efforts and enjoyed their baseball. Congratulations to Ashlin Miller for making the top 10 in the Capps medal count.

Well done to our juniors who made state and charter teams; Jack & Zoe Higginbotham, Ashlin Miller, Joel Benham and Harrison Kiss who made the Armada Senior league charter and Toby Kortekaas whose Little League Rays team won and now head to Lismore in June.

We have been particularly active in trying to grow and develop Junior baseball at Woodville this year. We recently attended the Youth Sports Expo at the Basketball stadium in conjunction with Baseball SA to try and target junior players, also Shane Lodge along with Gary and Theo visited Seaton High School and we are aiming to recruit players that don't currently have a club from Seaton and Peter Gee is assisting us with this.

Thanks again to the Senators 5023 club for holding two functions to raise funds to support junior baseball at Woodville, well done to the 5023 committee it is very much appreciated by the club. The 5023 club is supporting 12 coaches to undertake the Level 2 coaching accreditation in the off season through baseball SA and Chris Adamson, coaches are at all levels and this should add great value to our coaches in terms of the finer points of the game and give the official accreditation.

WOODVILLE DISTRICT BASEBALL CLUB ANNUAL REPORT 2018/19

T Ball on Fridays really went well this year with around 40 kids and families regularly attending. We have been linking in with local schools and had 3 this year; Nazareth, Lockleys North and Brompton all attending and committing to next year, with 2 more possibly joining which we are working on now. The board see this as a crucial part to our ongoing progression as a club and we thank Shane Lodge and Jane Nicholson for their excellent efforts in this and to the regular helpers on Friday nights in particular Harrison Kiss, U17 player, and many of the other U17 and Senior players for their assistance throughout the T Ball season. We will continue to aim to have good coaching for our junior sides and trying to increase our numbers and numbers of teams in coming seasons.

Senior Progression

We recently advertised for Senior coaches and can proudly announce Mr Richard Olson as our Division 1 coach for the next two seasons with an option of a third. Richard comes with a wealth of experience having played Senior baseball for the Australian men's National team, the ABL where he was named in 2018 as one of the Adelaide Bite team of the decade as a pitcher. Richard also played Div 1 NCAA Baseball at University in USA and professionally in Germany.

We welcome Richard to our club and the Div 1 & 2 senior squad recently met with him. We are in discussions with several people at present for a club pitching coach. Richard will be assisted by Mike Chemny and Lawrie Moore, who are both long term Woodville guys with the club's best interest at heart. Lawrie recently coached our SA Women's team to the Bronze Medal in the National Championships and is a long-term player and life member at Woodville.

We have appointed Troy Nicholson as the Div 2 coach for the 2019/20 season and Shane Nicholson as his assistant and thank both of these guys for putting their hand up to assist, already Troy is getting guys together in the offseason and doing a lot of the local groundwork that is required in the offseason, so thanks Troy and we look forward to you leading the Div 2 side next season.

We have already confirmed 4 new senior players for the 2019/20 season and will keep working hard as a board and with our players and coaches during the off season to increase our numbers and to try and create a good competitive environment. We will be seeking an import pitcher for next season and preferably a two-way player, we are in discussions at present with potential players. Gary Owens has committed to returning to play and assist our coaches in any way he can and we thank him for his outstanding service to the club.

Life Members/Sponsors

At the Senior Presentation evening, we inducted another 6 people to Life Membership of the club. All very worthy recipients and people who have given outstanding service to our club over many years. Recently we also had a special general meeting which was positive and saw some significant changes to our constitution which will be lodged shortly. One of these being that no more than 2 Life Members will be recommended by the board in future years, and many others that were overdue to reflect what is currently happening.

WOODVILLE DISTRICT BASEBALL CLUB ANNUAL REPORT 2018/19

Thanks also to all of our sponsors for 2018/19 and we welcome your continued support for the 2019/20 season. We have recently committed to a 3-year extension with our major sponsor the Lakes Hotel and thank them, and all of our other sponsors, it is greatly appreciated by our club. We are also in planning for our 70th Year celebrations and would welcome any help from any members or supporters in the planning for this event which we are looking at tentatively holding in October 2020.

Finally, I wish to thank all of our members and supporters, and as I mentioned at the Special General meeting, really implore our club to be a cohesive one. What we need right now is people to step up and assist our club in all aspects. If you know of players looking for a game, people who can lend a hand in a volunteer capacity and we need people to continue to support our club by attending social events, please bring them along. We must be united and seek a common goal of continued success of the club to ensure we are viable in the future. Thanks again to everyone and looking forward to an exciting 2019/20 season.

Regards,

Tim Fawcett

Chairperson WDBC 2018/19

Baseball Report

2018/19 was a challenging, yet transformative season both on & off the diamond for the Woodville Baseball Club. For numerous reasons, several players either had a season off or left the club, however this has allowed us to evolve both on and off field.

After some changes by the league, Division 3 was changed to a Sunday morning and U17 changed to Sunday afternoons. As most of our Division 3 guys were dads with families the early time slot didn't suit and we were unable to field a Div 3 side, something we will endeavour to do going into the future.

On a positive note the season saw Woodville field our inaugural Women's team in the SABL Division one women's competition. It was great to see so many people supporting the girls at games. Congratulations to Todd, Vic, Tom and the girls on a great first season. We as a club are looking forward to watching the girls progress and improve further next season.

A special mention to Shane Lodge and his many helpers with the t-ball & schools programme. With over 45 new players to the club, Friday nights saw many kids and families learning about baseball in a fun environment. A big welcome to these families and we look forward to seeing you next season and further into your baseball future.

Shane Brown & David Lodge pioneered our first Pee Wee Team and introduced the kids to Woodville Baseball Club and involved everyone in many activities including a Woodville Night at the Bite. We look forward as a club to watching the boys and girls involved continue to enjoy baseball.

Thanks to Carly Moore & Shane Lodge for all their hard work with the U15's & U17's throughout the season. The improvement of these age groups is necessary for the future success of our club and is something we as a board are constantly looking to better.

Troy Kortekaas and David Lodge took the helm of our Division 4 side. The team toiled throughout the season, however continued to improve.

Thanks to Shane Lodge, who once again lead our Division 6 side. The team enjoyed a season of ups and downs, a highlight of which was the come from behind win in which Keith Mortimore played his 1000th game. What an achievement! The day itself could be the inspiration of a baseball movie. Thanks to the team and supporters for all your efforts throughout the season.

Congratulations to our Division 7 team and coach Tim Fawcett who enjoyed a dominant season and ultimately won the premiership with an exciting home grand final. It was great to see some new and familiar names take the diamond and we hope to see them all again next year.

After 22 years at Woodville, the Goodwill series advised that they would no longer be sending out any teams. We thank Bob & Robert for their friendship during that time and they are all welcome back in the future.

WOODVILLE DISTRICT BASEBALL CLUB ANNUAL REPORT 2018/19

To Gary Owen, Lawrie Moore, Shane Nicholson, Troy & Will Kortekaas, thank you for your efforts with the Division 1 & 2 squad this year. It was a challenging year but week in and week out the coaches and players did themselves and the club proud by never giving up. This has laid the foundation for a hardworking and determined playing group going forward. Congratulations to the Division 2 side who made the finals this season. We thank Gary for his continued commitment to the club and for taking on the Division 1 coaching role, we look forward to having him back in a playing capacity this coming season.

Troy Nicholson played his 400th game for the club, and Cam Britcher played his 300th game. Well done guys. Congratulations to our past Division 1 player and Division 2 coach Wilson Lee on winning the Capps Medal for Division 1 this season.

We were again proud with a number of our juniors representing Woodville in state & charter teams throughout the season. Congratulations to Jack Higginbotham who played U18 state in January. Congratulation also goes to Toby Kortekaas, Joel Benham, Ashlin Miller & Harrison Kiss who played charter. Good Luck to Toby who headed to sunny Lismore in June.

To our volunteers thank you for everything you do for the club. Without you all nothing would come together each week. To anyone who is thinking of volunteering... please do. The club needs new people to stand up and help the club towards junior, senior and off field success.

I personally would like to thank the Board for helping me this season as I took on the job of the Baseball Director. It has been a challenging yet fulfilling role to undertake, and I hope we can continue to move the club in the right direction. Special mention to Jo for her support and encouragement helping me learn my new role. Thanks also to Tim for putting his hand up when the club needed him this season.

Season 2019/20 sees an exciting move forward with the appointment of new club coach Richard Olsen. Richard boasts an impressive baseball resume, but most importantly shares a common vision with us which consists of developing our club and culture whilst still striving for on and off field success.

I hope to see you all (and many new faces) going into the 2019/20 season, this is an exciting time to be involved in the Woodville Baseball Club.

Regards,

Jane Nicholson
Baseball Director

Facilities Report

This season has been a hard season. We have also had fewer games at the best Diamond in the league. The back Diamond got very little use.

Personally I wasn't able to commit as much "love" as I have in previous seasons to our great facilities. My erratic work hours prevented me from preparing early and from attending board meetings. Shane Nicholson has been invaluable by filling that void. Thank you very much Shane. Thank you also to others that have helped with set up during the season.

We have had as in other years; casualties with ageing equipment. Edger with shattered conrod - not repairable, Cylinder mower self-drive/mechanical failures - fixed in-house, Whipper snippers - not suitable for large areas/overheating, Ride on mower threw a lifter - repaired by Seaton Mowers. I was able to secure a \$5000.00 grant for equipment and facilities. I purchased 2 x 4 stroke Honda whipper snippers, 1 x 4 stroke 4 blade push mower, 1 x 4 stroke edger, 1 x 2 stroke Stihl blower (instead of using my Ryobi blower) plus fuel containers and oils. This was approximately \$2300.00 from Seaton Mowers. All the new equipment has been tested out already and work brilliantly. The remainder of the grant will go to good use within the club.

Erecting the fences was an ongoing process with Morty, Johnny and some of the OBG's volunteering to erect the Foul line and Bull pen fences. Thanks fellas. Pulling down of the fences this season went smoothly with extra vehicles/trailers speeding up the process. The volunteer numbers were adequate and very much appreciated, it was however the usual suspects again! We cannot stress enough that we need volunteers, new volunteers because one day "the usual suspects" won't be there!

Thank you also to Charles Sturt Council for their continued great work with our grounds.

Let's work towards making next season a great season.

Cheers,

Mick Mullen

Facilities Director

Club Report

The Council is in the process of upgrading the wet areas with the ladies, men's and main change rooms now completed and the back change rooms underway. The roof will be replaced in the coming weeks as part of planned upgrades by council. We would like to thank Charles Sturt Council for their continued support.

Jo Owen is currently awaiting the outcome of a Department of Rec & Sport Grant which she has applied for on behalf of the Sports Club to replace the ceiling in the main clubroom. Under the terms of the grant, if successful the sports club will need to contribute 25% of the cost of the project.

Both clubs are working together to explore ways to fund further upgrades to the club to continue to improve amenities for our members. We were on the councils list for a complete knock-down and rebuild. Unfortunately, the rent increase that goes with this type of venture is unaffordable for both clubs the members of the sports club committee could not in good conscience put any more financial pressure on either club. So, the committee is exploring ways to upgrade the club as much as we can manage.

We would like to thank Cam Britcher for his efforts as Club Director and hope he is enjoying Tasmania!

To the Ladies in the canteen, in particular Jo, Jane, Marie, Renae, Alyssa, Lucy and Pattie who all give so much of their time, our thanks. Also to John Russell, a big thank you for running the Bar.

To all of our volunteers, whether it be an hour or 5 hours, we appreciate your time and commitment in helping out the club so thank you.

We will be hosting the Masters Games in October so please offer your help if you can assist in any way big or small.

Regards,

WDBC Board

Junior Report

The Year began with the club's Junior Senator Program, which ran for six weeks before the season starting. We had 20 children come out for specialised training to cover technical knowledge and development of past skills. Thanks to Lawrie Moore for running the program, along with Chris O'Brien and myself assisting. We look forward to continuing this program in seasons to follow. Thank you to the ongoing support of the 5023 Club this season. It's due to their fundraising efforts we could put coaches through a level 2 coaches course and various other things during the season. With coaches having a level 2 certificate in coaching, we are looking to strengthen the club with junior coaches.

This season in T-ball, numbers were up. This was largely due to the fact schools were coming out and playing at our club. Hopefully the flow on effect will continue up the grades in seasons to come. There were 4 teams in T-ball from 3 schools; Lockleys North Primary, Brompton and Nazareth, who brought out 2 teams. We had 40 - 50 children out to T-ball each Friday Night. Thank you to everyone who came out to help coach and a BIG thankyou to Jane Nicholson for all your tireless work you did behind the scenes.

The SABL had the first u9's competition this season, our team was coached by Shane Brown and David Lodge with many parents helping out on game day. Megan Oliver did a great job keeping the club, parents and players up to date with everything going on, on the u9's Facebook page. The children looked like they had a great time starting to learn more about the game of baseball.

15's struggled a little bit this year with most of the players being first year players in 15's coming up from 13's. Coach Carly Moore and Jack did great with these kids, training them on Wednesday nights and the club's import Theo trained them on Friday. They all had fun and enjoyed themselves. Two players Aldo McCormack and Johnny Von Senden played double headers every week, great work, much appreciated.

I again coached the 17's this season, and much like the 15's, this team was mostly all first-year players, apart from a couple of players. When were short a few players throughout the season, Aldo McCormack and Johnny Von Senden played double headers every week, great work, much appreciated. The team finished ½ a game out of the finals, better luck next year.

I would like to thank all coaches, scores, parents, umpires and anyone else who help facilitate trainings and game days. Without you there is no competition and club, there is so much work and collaboration that goes in to the running of the club through the season. So many people give up countless hours for the betterment of the club, without these people the club can't exist. Remember many hands make light work so don't be shy. As the Junior Director I would like to take this opportunity to thank Jane Nicholson for her tireless work and behind the scenes efforts to help me run the juniors on a Friday night, also Jo Owen for being at the club every Friday to cook meals and run the canteen on weekends and lastly I would like to thank Shane Nicholson and Mick Mullen for getting the ground ready every weekend for the kids to play on thank you.

Regards,

Shane Lodge
Junior Director

Marketing Report

This year we continued to acknowledge the below businesses and families for their valued support over the 2018/19 season. We also gained two new sponsors – Kidman Park Pizza House and The Fawcett Family. We have also recently secured a 3-year extension with our Gold sponsor, The Lakes Hotel. A special thank you to the Fahey family and their staff, for their continued support of our club, and for providing us such a great venue for our senior presentation nights.

Sponsorships, both corporate, and club, provide vital financial support to our club. This assists us in maintaining and upgrading our facilities and equipment, without the need to continually increase your fees. I encourage all of our members to support our sponsors whenever they can.

Gold Sponsor The Lakes Hotel

Silver Sponsors

My Pool Guru | Goodlife Health Clubs – Royal Park | Oasis Home Improvements
Tonkin Accounting | The Fawcett Family | Terry Fitzgerald

Bronze & Community Sponsors

Kidman Park Pizza House | Port Adelaide Landscape & Garden Supplies
Seaton Park Meat Store | Rob's Fuels | Craig & Marie Reval
Garth Lodge | Keith Mortimore | Moore Electrical & Maintenance Services

We also managed to secure a Bunnings BBQ during the season, and recently held an election day BBQ and Cake Stall at Grange Primary School. Thank you to Jo Owen & Renae Kortekaas who helped to secure this spot through their work. These events would not be successful without the help of volunteers, so a big thankyou to all who assisted on the day.

This year we continued with two "Band Night" events, with Gary Owens' band, the H₂Owens Project, proving some great entertainment. A big thankyou to Gary for rallying up the band, to all the performers who made guest appearances this season, and to Dave Owen, our resident "roadie" (i.e. – the only one who knows how to correctly set up all the stage gear). We also ran our first ever "iPod Shuffle Night" as a major fundraiser this season. The turnout was great, but of course we encourage all members to continue to support the club at such functions. Like sponsorship, the fundraising we do at these events helps to keep fees down.

Thank you to all the volunteers who assisted in the running of our social events this year, especially to Jo Owen, Jane Nicholson, Renae Kortekaas, Marie Reval, Pattie Tucker and Lucy Owen, who were around in the canteen for many of our Thursday night, Friday night, Saturday & Sunday events, and to Johnny Russell for making sure the Bar was run in tip top condition.

Regards,

Alyssa Owen

Senators 5023 Report

Season 2018/19 has been another successful year financially for the Senators 5023 Club. We raised \$5,620.00 with expenses of \$3,863.54 giving us a profit of \$1,756.46 with the carryover from last year of \$9,626.19.

We had 2 successful events, the first being held in November. At this event the members enjoyed a lovely Roast on the diamond lunch with John Mannion, Executive Director of Break Through Mental Health Research Foundation, as our Guest speaker and we interviewed the A Grade coach Gary Owens.

The second event was held in February, with members enjoyed antipasto platters and main course of Moussaka. The guest speaker was Tim Ginever, who entertained us all and we interviewed Rachel Boers who was part of our inaugural women's baseball team.

I would like to thank the committee, Andrew Sullivan, Pattie Tucker, Garry Marsland, Grant Behrendt, Cameron Britcher and Marie Reval for all their hard work and making the year enjoyable.

We would like to thank our Patrons – Denis and Raelene Cutting and our Vice Patrons – David Freak for his support with the supply of the new junior tops and Terry Fitzgerald for your ongoing support it is greatly appreciated. We look forward to your support in the future.

To the junior parents and volunteers who assisted at the events we thank you. This committee was and has always promised its members our mantra is "It's All About the Kids", and this year we supplied new tops for the under 15 team. Next year we intend to send 12 parents to coaching clinics with some of the funds raised.

The committee has worked tirelessly to raise awareness of this new initiative, and it was great to see the bank account reimbursed with funds raised in previous years. I look forward to another successful year in 2019/20 season as the Director of the Senators 5023 club.

Regards,

Craig Reval

Board Member & 5023 Club Committee Chairperson

"It's All About the Kids "

Financial Report

The MYOB Accounting system has been used to record the finances of the Woodville District Baseball Club Inc. as at 30th April, 2019.

The following Balance Sheet and Income Statement have been prepared by Tonkin Accounting using the resources and information contained in the accounting system. To my knowledge they are a true representation of the accounts of the Club as audited by Steve Tonkin and Jack Yang of Tonkin Accounting.

The Profit and Loss statement shows us as running at a loss of \$9760 but if you take into account the depreciation we actually ran at a small profit.

The Senators 5023 Club has helped the club once again, so thanks go to Craig, Marie, Pattie and the 5023 Committee for running two functions.

We were lucky enough to get a Bunnings BBQ which also helps with fundraising.

The canteen continues to run at a profit which helps the club considerably but we are down on last years' due to our lack of Div 1-2 Sunday Home Games and the fact that we also didn't field all Junior teams.

I would also like to thank outgoing Board Members for their work and effort.

Regards,

Jo Owen

Finance Director

Division 1 Report

Tough season all around. We lost some of our main Div 1 players and it was a struggle to remain competitive. Many players were getting their first taste of a full A grade season. I think many were surprised about the amount of commitment this game actually takes to be able to play at a high level. The game becomes faster and more precise, attention to detail is something we lacked. On the bright side, most of, if not everyone had a chance to get some experience and hopefully this off season will be a bit different as far as individual commitment to preparation goes.

We managed to win 5 games, had our chances to win several others, but inexperience cost us time and time again. This was a frustrating season for all and it is now time to wash it away and look forward to next season. Thanks to all the coaches that stuck through to the end. Thanks to our scorers for sacrificing their time on the weekends and Tuesday nights.

Finally, thank you to all of the volunteers that make game days run smoothly. A club is nothing without its members, thanks to everyone who supported us in in any way. Peaks and valleys will always be a part of any club's lifespan. Let this season be the bottom of the valley and let's rise to the peak together again!

As always....

We are the boys from the ol' senators!

Regards,

Gary Owens

Division 1 / Club Coach

Division 2 Report

Before I talk about how the team went I'd like to thank those who helped us:

To my wife Jane, who took on the Baseball Director role this year and spent countless hours helping both juniors and seniors. Jane was a great support to our squad: Arranging permits and transfers; Getting rules clarified; Arranging uniforms; Dealing with the SABL which was no small task given our loss of players; and Jane was our backup scorer. Thanks Jane.

To Jo Owen. Everyone knows that Jo does a huge amount of work around the club. But in addition to all the other things she does, Jo was our scorer. Thanks Jo.

To Gary. Firstly I want to thank Gary for taking on the Club Coach role. Gary spent a lot of time when he was half way around the world looking for players and doing the best he could to support the group. Then he worked hard throughout the year, not only with our squad but with t-ball and the band and things like that. We have been very lucky to have Gary at the club as long as we have and I hope he is around for a while yet. Thanks for your support Gary.

To Lawrie Moore. Lawrie I appreciate all the support you gave me and what you did for the guys. Lawrie is a terrific coach. He was out when work allowed throughout pre-season and he was the Div 1 game day coach and often helped out with Div 2 on game day. Thanks for everything you did this year Lawrie and I hope you can do likewise again next year.

Will Kortekaas didn't play this year due to injury. But he was there week in, week out working with Pitchers and as the Div 2 Assistant Coach. It's a big effort from a young guy who could have found plenty of other things to do. Thanks for your help Will, but I hope that we see you playing rather than coaching next year.

Troy Kortekaas assisted coaching on game days when work permitted. He even played a few games. Troy, I appreciated the knowledge you brought and the support you gave. Hopefully work allows you to be around even more often next year the squad will certainly benefit if that is the case.

Thanks to Johnny Russell for ensuring we had drinks, ice etc. And for the entertaining game summaries in the newsletter. Johnny, everything you do around the club is much appreciated. And without Johnny, we wouldn't have the best batboy in the league. Timmy, thanks for helping out and supporting the guys again this year.

I'd like to thank Troy Nicholson for stepping in one week when I had to take an unexpected trip to the Emergency Department. Troy helped get us an important come from behind win that day which was ultimately important in getting us into the finals.

Also, there are some very good people on the board, who are there for all the right reasons. We need to do some rebuilding, not just at the div 1 / 2 level, but perhaps more importantly in juniors. I wish Tim and his fellow Board Members all the best. Thanks for your support this year and for what you are doing about rebuilding our playing numbers.

WOODVILLE DISTRICT BASEBALL CLUB ANNUAL REPORT 2018/19

So, how'd we go?

- We finished 6th with 11 wins and 1 draw from 20 games.
- In our only final we played Souths who were minor premiers, and who ultimately played off in the grand final. We went down 2-0 and had some opportunities against a good side. I was particularly proud of the way the boys played in this game.
- We used 29 players throughout the year.
- We gave some of the under 17s a taste of higher level senior baseball. Jack Higginbotham had plenty of opportunities in Div 1 and 2. Thanks to Ash Miller, Harrison Kiss and Joel Benham in particular, and their parents. These guys played 17s, Div4, and sat for us plenty of times. Guys, I hope that you enjoyed the year and got some good development.
- We had some new guys to the club.
- Tom Dinnen came across from West Torrens and played some really good baseball. Tom's a great guy to have in the squad, it was nice getting to know you Tom.
- James Chu played a full season apart from a couple of overseas trips. James doesn't speak a lot of English but he sure adds a lot to the squad and the guys love his enthusiasm and humour.
- Jackson Sowton came across from Port part way through the season. Jackson's only young but he got some good opportunities in both Div 1 and 2 and played well. I hope you'll be with us for a while to come Jackson. Welcome to Woodville.
- Just before the games commenced we had Andrew Chesterton join us from Melbourne via Henley & Grange. Andrew did a fair bit of pitching for us.

We had some guys return to the game after a bit of time off:

- Matt Muegge made a comeback but eventually succumbed to persistent injury. We'd love to see him back again injury free one day.
- Kane Razis returned after a stint at university in the states. Unfortunately, he didn't quite complete the year we, but I hope he'll be back next year.
- It was really pleasing to see Jarrod Marsland, then later Rhys Owen, and later again Ryan Marsland return. Some big club names here. It's guys like these that we need around the club at any level. But they still have something to offer at the higher levels particularly if they can put some work in throughout the off-season. I hope you guys all continue next year.
- I'd like to thank the guys who played 2 games each week, or at least sat on the bench to ensure we could field teams and compete. Just quickly here I'd mention, Wade; Vic; Tom; Troy; Nathan; Todd; James; Jackson & Rhys.

WOODVILLE DISTRICT BASEBALL CLUB ANNUAL REPORT 2018/19

Trophy winners:

MVP & Batting trophy – Wade Moore. Wade hit 419 and had an on base percentage of 464. He stole plenty of bases and scored a bunch of runs. Wade also did a really good job for us defensively behind the plate. Well done Wade on a great year.

Golden Glove - Troy Nicholson. Troy played short stop and made only 2 errors all year for a 946 fielding average. Troy also helped out with a fair bit of pitching. Well done Troy.

Just a quick mention about some other guys who performed really well:

- Rhys, Jackson, Liam, James, Troy & Vic all hit over 300 – well done guys.
- Nathan also did a fair bit of pitching for us when he wasn't helping out in Div 1. He had our best ERA at only 1.76.

I didn't expect to be coaching this year but I'm really glad I did. I learned a lot more about playing and coaching this game I love. But more importantly I got to know some of the guys far better than I had previously. We have some really good young men in this group. I was impressed with the sense of humour, and the sense of mate ship that shone through, even when some of the results weren't going our way.

So guys, thanks for accepting me into the group this year. I hope that you all enjoyed the year and that you are looking forward to next season.

Troy Nicholson will take over as head coach and I'll happily help out. I think it will be an exciting year of improvement.

Regards,

Shane Nicholson
Division 2 Coach

Division 4 Report

With a challenging start to the season across the whole club, our season in Div 4 was always going to be a slightly bumpy one.

The decision to not field a Div 3 side meant we were the go to grade for Div 2, and it also went the other way with a few of our players also playing in Div 6. Although this made picking a side Thursday night a bit of a minefield (thanks David & Renae), with the inclusion of some of the new players, some returning from living away, and the boys from the under 17's, we got through the season with at least one win under the belt.

I managed to take home the batting award this season, hitting .487. Our MVP was David Lodge, and the coaches award went to Josh Boden.

A big thank you to David Lodge, who not only chased up players to select teams, but ran trainings during the week (as I could not due to work commitments), and co-coached with me on game day. Thank you also to our scorer Kerryn Fry, and lastly, thank you to those junior players and their parents, who committed to playing all weekend, sometimes running straight from one game to the next.

This next year looks to be a big rebuilding year at the club, and I look forward to us getting back to where we were.

Onwards and upwards.

Thanks,

Troy Kortekaas
Division 4 Coach

Division 6 Report

This was a great season, played with good friends. We finished in the middle of the table this year. We were missing a few players from last year; Garth Lodge, Adam Lodge, Mike Chemny and still without Shane Nicholson, these are all four key players to the side.

This season we got some inclusions to the side which helped cover the loss of the players. Jesse Whinnen who retired then came out of retirement to play Div 6, was one of the strongest players on the team, finishing 8th in the Div 6 Capps. Married couple, Ryan and Rachel Boers joined the team, and it was difficult to try and find who the better batter was, and player. Ryan reminded me of the energizer bunny, he never stopped and needed to slow right down. Thank you to the Div 7 boys who helped fill in, week in week out, Nick McCormack, James Stradling, Tim Fawcett and Timmy Russell.

Nick McCormack played a lot of double headers this season, playing for Div 7 as well. Nick did a great job for us on the mound helping Keith out. This was Nick first real year on the mound, he did a great job. Casey Moore stepped onto the mound the last couple of games too, and I think with a little bit of work we may have found a new pitcher for the team.

Aaron Petros did a great job this year moving from outfield, he knew the team need a catcher and not too many people wanted to step up, so Aaron did. Aaron played two games on a weekend on most occasions and umpired the following day.

Then there was the unstoppable Keith Mortimore stepping on the mound on numerous times. Keith pitched 65 pitches, seven innings, two hits and no run against Playford City. Although the best event this season would have to be hands down Keith's 1000th game. It was like the day was meant for him. Keith pitched well and hit well, but unfortunately the team found themselves down by six runs in the last innings, and needing 7 to win when you can only score a max of 7 runs an inning. Keith making all the right moves by taking people out of the game and putting Timmy Russell in for a stand up double, running to second base holding his pants up. We ended up winning the game and celebrated all afternoon and night

Coaches Award: Derek Milne
Batting Award: Jesse Whinnen
MVP: Jesse Whinnen

A big thank you goes out to Judy Currie for scoring, I don't know how you put up with us week after week, hope to see you next season. Thanks to the lovely ladies who work in the canteen for us during our home games and scoring when Judy is away. It was a very enjoyable season and I am looking forward to seeing everybody come back next season and go again.

Regards,

Shane Lodge
Division 6 Coach

Division 7 Report

Well, what a season culminating in a great Premiership win for the side defeating East Torrens 6-4 in a toughly fought Grand Final. Great for our team and the club in what was a particular difficult year.

Going into the game East Torrens had won the previous 3 flags in the 7's and we knew they would be a very difficult opponent. We had a great team all year and played well finishing Minor premiers and dropping two games only along the way, incidentally both to sides that didn't make the finals.

It was a pleasure coaching and playing in this fine team, with many guys I've known pretty much all of my life and we played as a good team and had a lot of fun along the way before winning the flag at the end.

Honourable mentions go to Garry Marsland who won our MVP and polled in the top 10 votes in the Div 7 Capps Medal count. He produced his typical workman like effort each time on the mound and was our starter in the GF, aided ably by Andrew (Sul) Sullivan, who was his partner in crime in the pitching department for most of the season. Grant (Behr) Behrendt also pitched along the way and played a fine shortstop and batted well all season.

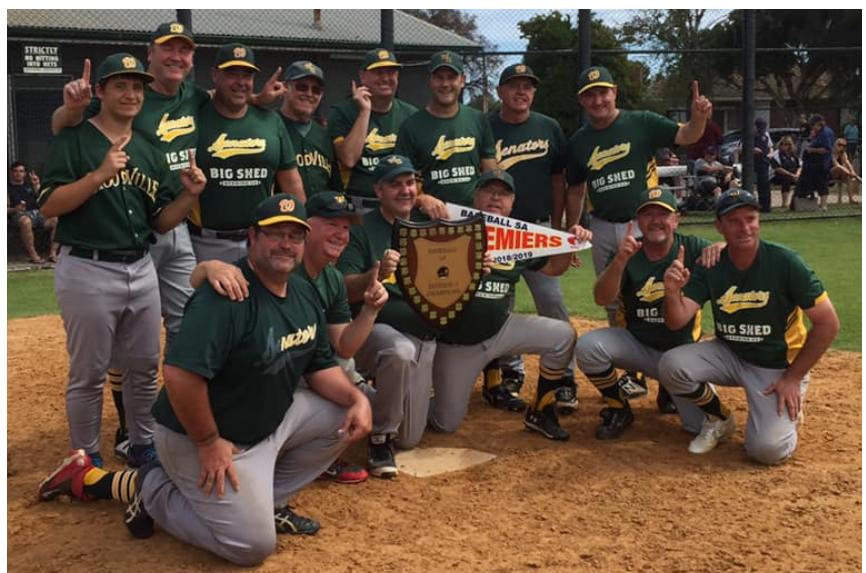

Steve (The Hulk) Couzner was our batting champion with .548 and did a great job all season smashing the ball around particularly the ones above the head. Lawrie Moore also batted .680 with not as many at bats as Steve but did a great job knocking it around, with all bar about two regulars batting above .400. Offense was a strong point to our side and we had a massive score difference at the seasons end with most runs scored and least runs against by a long way in the Div 7 grade.

Nick McCormack & James Stradling did a great job in our side and both are very good team men, always willing to do what was best for the team in the situation. Nick only in his 2nd season was nominated for the Mark Biggins award and was the nominated player for the Best Team Man.

A big thanks to Craig & Marie Reval for their support to me in coaching, stats and scoring, I really appreciate it. And to all the other players who made it an enjoyable and very memorable year for all of us.

Regards,

Tim Fawcett
Division 7 Coach

Women's League Report

Congratulations to Woodville District Baseball Club on having a successful inaugural women's team. We had a very committed team all season, and it was fantastic to see new players to the game and parents from the club getting involved. For our first season, it was amazing. We came fifth, getting knocked out of the top 4 by a fraction of a percent. Most importantly, as a team we had a huge amount fun! As a team we all improved immensely. All of the women who joined our team learned about the game in great depth thanks especially to Todd Dunstall and Vic Bentvelzen. Everyone built confidence in batting and fielding, allowing us to score a large amount of earned runs across the season. We showed that we could bat and field just as good as any other established women's team in the comp and we gave the undefeated top team a run for their money, only losing by 4 runs. Thank you to the entire women's team for your dedication, but mostly your enthusiasm and making it an extremely enjoyable season. It was a great team to be a part of and I hope that all the women are able to play again for many seasons in the future.

Our MVP was Darna Veen, having an outstanding year as a pitcher and a batter. She really carried the team through in some tough games. The batting award went to Carly Moore, with a batting average of over 0.800. What an incredible achievement! The most improved award went to Catie Berry, who batted very well towards the end of the season and was able to steal bases. She also showed great improvement in the field and we hope she continues on to play another season. Additional to a fantastic first season, Carly Moore and Darna Veen were selected for the State Open Women's Baseball Team that competed in the National competition in April. Congratulations to them both on fighting hard and receiving a Bronze medal, the first-time SA has ever won a medal at the Women's Nationals. Well done!

Special thanks to Jo Owen for scoring a majority of our games over the season but also helping us secure a grant and organise events to support our Friday night games. Your help was greatly appreciated! Thank you to Tom, Wade, Joel, Harri, Toby and numerous others who helped us at training and on game days. It is wonderful to have such a large amount of support, especially for our first season. Thanks to the Shanes, you all helped us by getting the diamond ready for game day and organising equipment. Thank you so much for that. Todd and Vic were absolutely fundamental to our team's success this season, thank you both for being such great coaches for our women's team this year. I hope that you both can lead an even more successful women's team next season. Lastly, thank you to all the women who chose to come and play for our first ever women's team. You all did such an amazing job and were a pleasure to play baseball with. Everybody should be very proud of what they have achieved this season, see you all for another fun and exciting 2019/2020 season!

Regards,

Louise Bartle

Under 17 Report

The 17's had a good season, improving on last year, finishing ½ a game outside the finals. Starting the season the 17's competition was all in one group, after Christmas the league divided the 17's into two divisions, we were in Div 2. We had three wins and a draw for the season and had a few narrow losses for the year.

Being short on players for most of the season I had looked to the 15's to see if there were any players that could step up and wanted to play 17's as well as 15's. Thankfully two players stepped up and played double headers all year long, thank you to Aldo McCormack and Johnny Von Senden.

This season we had a number of players not just play 17's, but also getting a run in seniors, so it looks like they could have a bright future at the club. Harrison Kiss, Ashlin Miller and Joel Benham all played Div 4, and late in the season played a few games in Div 2. Blake O'Brien also tripled up some weekends, playing Div 4, 6 & 7.

Batting Trophy: Harrison Kiss

Harrison is a great player, I see him having a big future at this club. Harrison started the season at first base eventually moving around to most positions on the field. Harrison started off the season as one of our strongest batters it continued all the way through the season.

Coaches Award: Barry Eime

You could always count on Barry to be out at every training, he is always wanting to learn the game and continuously wanting to improve himself. He always has a smile on his face earning him the nickname smiley, even if we were losing he would find something to smile about and get the team to laugh and smile.

MVP: Ashlin Millar

Ash was the team's number one pitcher for the season, improved on last season. Whenever I would visit Ash on the mound he would say I'm fine I can go one more. Ash finished 8th in the 17's junior medal Capps count, he was one of the team's best hitters too. Ash has a bright future in baseball.

I would like to thank Chris O'Brien, Nick McCormack, Shane Kiss and Troy Nicholson who helped coach, scorers Kerryn Fry & Mel O'Brien, parents, umpires and anyone else who helped facilitate trainings and on game days. Without you there is no competition and club, there is so much work and collaboration that goes in to the running of the club through the season. So many people give up countless hours for the betterment of the club, without these people the club can't exist. Remember many hands make light work so don't be shy.

Regards,

Shane Lodge

Under 17's Coach

Under 15 Report

Our team won two games for the year which is a significant effort considering the skill level of some of our opponents. The early season games were difficult for the under 15 side. We were competing against experienced teams whose players were older and more physically developed. Despite this we were able to tinker with our line-up throughout the season and expose players to new positions.

Two players were able to consistently perform at a high level and their development should be a priority:

- John Von Senden started almost every game on the mound and did a good job of limiting earned runs and striking out a lot of hitters. John has significant potential and could be a future foundational player for the club. From next season, he would benefit from training with the seniors and receive specific guidance in pitching, strength and conditioning.
- Aldo McCormack started the year as a pitcher but found himself more comfortable at first base and short stop. He batted over .400 and has a great attitude towards the game with consistent performance and a willingness to help his teammates. I'm looking forward to having Aldo back next year and hopefully at our club for years to come.

The main area for improvement in 2019/20 is in preparation during the offseason and preseason. Unfortunately, I was overseas in the period leading up the season which was not ideal for the team. We also faced issues of uncertainty regarding which division we would be fielding teams in and thus which players were available. My goal for next season is to recruit some players over the winter and focus on pre-season to ensure higher standards in fundamental skills and team chemistry are set from the first game.

I was fortunate for the support of our reliable assistant coaches Jack Gauvin and Nick McCormack. The team also benefitted from Lawrie Moore's wisdom and experience in a part-time mentoring role. We were lucky to have a parent group who were willing to generously contribute with scoring, pitch count and setting up the field for home games. I would also like to mention the two girls we had on the team this year - women's baseball is growing and it's exciting to be involved in as a player and coach.

This was my first season coaching junior baseball and it was certainly one I won't forget. I appreciate the opportunity from Woodville and wish to keep developing our junior program. I would like Woodville to have junior teams in every division and once again have a flow of talent coming through all grades.

Regards,

Carly Moore

Under 15's Coach

Pee Wee's Report

This is a snap shot of the season that was. We started the trial days early as we were not sure about how many numbers we would have for the season. As it got closer to the start of the season the numbers were still low and it looked like we would be short on players in all grades. We made a lot of phone calls and sent out a lot emails and text messages. Jane Nicholson, Megan Oliver, Shane Lodge and myself did what we could to get more players. We ended up getting players to play above their matrix grading and we also got permits for players to play lower than their matrix grading.

This was the first time we had run the PeeWee league for a full season. The rules are modified to suit the ability of beginner players. The modified rule concept is a brilliant idea and gives an even opportunity for all players. It builds confidence in players making the transition from T-ball to the next level. The games were not boring and I the feel all players enjoyed the games we played. I think if T-batters were to go straight into a U11s competition they would 1. struggle, 2. get bored and 3. lose interest. I feel strongly that this is a needed step in progression.

We had a great mix of players - old and young, male and female, confident and shy, enthusiastic and casual. But overall they all seemed to gel together to become an awesome team that I can say I am very proud of! Most of the players were new to the game and needed to learn the rules of baseball as well as learning the basic skills of playing baseball. These players came along way from never holding a baseball or bat, to actually hitting a thrown ball which is one of the hardest things to do in baseball.

At the start of the season I asked the parents if they could help in any way on game days as there is a lot going on and requires a lot of guidance for the game to flow and be successful. I was overwhelmed by the response as I had nearly every parent help out in some way which was great. With most junior sports, parents need to and want to be updated with information to prepare their child. Megan Oliver did a great job for our team sharing information weekly for up and coming games and events. Jane Nicholson and Megan Oliver worked together to keep everyone informed and up to date. This allowed me to concentrate on coaching the players and giving them all the playing instructions they require. We also had a Bite night at Diamond sports which Jane and Megan organised with great success. The Bite night is a great opportunity for the players to get a taste of the big leagues and get up close to some of best players in Australia. The players got to play a scratch match on the main ground before Bite game and we lucky enough to have Tony Harris come and share some words wisdom and answer some hard hitting questions from the kids. The Bite night is a great opportunity to show off our club colours. The kids met some Bite players and got to run out on to the ground with the Bite players before the game for the national anthem. Jane and Megan organised meals for our PeeWee kids and we all sat in the grand stand together to watch the Bite play. This was a great night for the PeeWee team and created more of a bond in our team.

David Lodge was a massive help as my wing man for games and trainings. With David there we could split the team into 2 groups to give the players more of an intimate training session to hone in on their skills. Dave was also great to bounce ideas off of for upcoming sessions. David has a great knowledge of baseball and proved to be a great asset not only for myself but for the team.

WOODVILLE DISTRICT BASEBALL CLUB ANNUAL REPORT 2018/19

Megan Oliver not only kept the parents and players up to date but Megan played the role of team manager each week. Megan would make sure we had one of the parents to score each week and she also kept the bench organised and players in line.

We started the season off with a first up win out at Gawler which gave the team a bit of confidence. We then had to head out to the other end of Adelaide and go down south to the home of the Hawks. We found out the Hawks were serious competitors as their whole team had been playing together for 4 years through there T-ball program. This game could have shot their confidence but they took it on the chin and didn't get discouraged. Our third game was away again but a little closer to home at Port Adelaide. This was a close encounter which saw us come home with a win by one run, very exciting for everyone involved. After the Christmas break we came back to our first home game which ended up cancelled because of the heat policy. We rescheduled the game to Wednesday night against the Angels, it was a bit rushed and reactive but we had a game and that was the main thing. We had our chances to win this game with some big hitting but fell a little short on the score board but not disgraced by any means. Our next game took us down to the home of the Eagles where we were met by a very strong West Torrens team. We gave them all we had but it wasn't enough and the Eagles were too good for us in a closer than expected game as this team had just won against the Hawks. Our next game was at home against the Rams on our very own PeeWee custom ground thanks to Shane Nicholson. This was another close game which saw a battle to the end as the score was all tied up going into last 22-22. We started to get some big hits again and came up with a win 38-33, there is nothing better than winning a home game. Our last game was meant to be against Glenelg but unfortunately another heat rule policy came into effect and the game was cancelled. We reached out to Glenelg to reschedule but were met with no response so sadly that's where the season ends. But did it end there? No, we decided to have a parents verses players game on the last Friday night of the season which was a great success apart from one of the parents breaking their ribs and having to be taken to hospital. We finished a week later with the presentation night at the club with a packed house where Jo Owen and her crew put on a great night. It was a perfect night to send off a great successful season that was!

I enjoyed coaching the Pee Wee Team this season and thought the overall standard of the competition was excellent. With it being its first year there are a number of rules and modifications that need to be defined before next season. I had an awesome bunch of kids that made up our team and was very proud of the way they represented themselves and the club.

Regards,

Shane Brown
PeeWee Coach

T-Ball Report

This season for T-Ball we had three schools come out to the club to play T-Ball, four teams came out from the schools, Lockleys North Primary, Brompton and Nazareth who brought out two teams. It was fantastic we had 40 – 50 children coming out in the end. With all the schools coming out and friends playing together the idea is they will move up through the divisions at the same time together as the schools continually send children to our club. Hopefully we look like getting more schools to the club next season.

T-Ball was played on Friday nights from 6-7, this worked out well with the women playing home games every second Friday night, it showcased the club on a Friday when the women were there and when they weren't t-ballers got to play on the main diamond. We played games on Friday and other fun activities.

I would like to thank all coaches, parents and anyone else who help facilitate on Friday nights with T- Ball. There is so much work and collaboration that goes in to the running of the club through the season. So many people give up countless hours for the betterment of the club, without these people the club can't exist.

I would like to thank Jane Nicholson for all her help organising and many, many hours of behind the scenes work. And to Jo Owen for getting there early on a Friday to set up the canteen as well, thank you.

I look forward to seeing everyone next season.

Regards,

Shane Lodge
