

WOODVILLE DISTRICT BASEBALL CLUB

Sponsorship Packages 2024/25

Founded in 1950, by a group of local Baseball enthusiasts, the Woodville District Baseball Club of today is a thriving local community club. Operating as a not-for-profit club, we are run solely by a committed group of volunteers.

Dedicated and highly competitive senior mens teams, a strong women's program and a brand new junior program in recent years has helped our player registrations and community grow at a healthy and steady rate.

We encourage people with physical and intellectual disabilities to participate in main stream competition and also support the participation of children with disabilities and welcome people from LGBTQTI and culturally diverse backgrounds. Our aim is for our club to have the best programs available to everyone in our local community.

It is with this in mind that we seek sponsorship from our Community partners. Partnering with our club provides you and your organisation with an opportunity to support our club and take the steps in the right direction in the greater baseball community.

We will work with you to engage with the local community, providing greater exposure for your organisation. We hope you will consider joining with us in showing the community your support of the Woodville Senators.
