## From the Chairman

Firstly, I must thank our hard-working committee, many whom I've known most of my life and it's been again a pleasure working with you all again in my 4<sup>th</sup> year in 2022. A shout out to Jo Owen, Jane Nicholson and Megan Oliver who has been outstanding with our junior development as Junior Director, thanks to Lucy Owen with her role with club facilities, Alyssa Owen with marketing, Noel Watson for his ever-hard work with maintaining the grounds and with his assistants Craig Reval and Terry Fitzgerald, who it's great to see back in SA, and other helpers. Josh Mignone who has been co-ordinating our newly formed winter ball comp from 1 team in 2021 to 3 in 2022 including lots of junior parents, and to Renae Kortekaas and Shane Lodge our other floating board members.

The 2021/2022 season was again overall a fairly successful one as a club. We had more Senior & Junior memberships with over 80 in each for the club which meets the KPI of Baseball SA and more than we have had in over a decade.

For the first time in over 10 years, we had 7 Senior teams playing and were well represented in Junior Grades with T Ball, Pee Wee, Minor League, 2 x U13 and 1 x U15 both competing in Div. 1 competition.

I will start with the Women's Div 1 side, who again made finals and had an outstanding year with some great wins against both grand finalists, congratulations to 4 ladies who made the BSA Women's Div 1 team of the year and Jo Owen as scorer. Carly Moore also representing us at the recent Women's National Championships and then selected by the Adelaide Giants to play in the Women's ABL proving she is one of the elite female players in our state and country.

Division 1 Men's were a definite finals contender but unfortunately just dropped away at some critical times post-Christmas, but did have some nice wins against some top 6 sides and showed a sign of definite things to come. Our Div 1 coach Richard Olson has committed to undertaking his 4<sup>th</sup> season in 2022/23 and I thank Richard, Chris Sims, and Lawrie Moore for their efforts with the Div 1 side. Congratulations to Troy Nicholson on his selection in the BSA Div 1 Team of The Year and as the MVP and Batting Champion.

Div 2 was also competitive all season and were very unlucky not to clinch a finals berth, some fine performances and Daniel Chapman and Ryan Muggleton had them looking like finals contenders with some good wins against some of the top sides throughout the year. Congratulations on Tyson Hancock making the Top 5 vote getters in Div 2 Capps Medal.

Div 3 had an outstanding season, probably the real Smokey at the start of the season. Super competitive all year and finishing minor round in 3<sup>rd</sup> place, losing a tight first final to Adelaide then having to travel to eventual premiers Southern Districts and losing in a walk off victory to Souths at their own ground, a bitter loss given South won the final well a week later. A big shout out to Joe Chapman who has been outstanding since moving over from Port in winning the Capps Medal for Div 3, well done Joe on an outstanding year, your move to us has been a real breath of fresh air.

Div 6 did it tough, struggling for players most of the year. Probably in part due to the Div 3 success we had 1 win and 1 draw in the final game which was a come from behind some felt like a win. Well done to some new guys and the younger guys for toughing it out all year and putting in your best efforts.

Div 7 the other team I coach again had another top season, going down in the Preliminary Final to Adelaide but were super competitive all year again and finished 3<sup>rd</sup> for the season. Great to play with this group of guys who in most parts are highly experienced with thousands of games and some new faces also well received in the side this year.

## WOODVILLE DISTRICT BASEBALL CLUB ANNUAL REPORT 2021/2022

Div 8 were another hard luck story jumping out of the blocks like Usain Bolt but finished off like Cliff Young, probably the highlight winning against eventual premier Adelaide in the 2<sup>nd</sup> last minor round. Well done to Shane and the boys on being highly competitive all year and hanging about for a beer or 10 after each game.

To finish the 2021/22 season on what I think is an exceptional note I have been very proud to say that 11 Woodville Juniors represented our club at the State Charter Championships on the April Anzac Day Long weekend. 6 female and 5 male players doing our club proud and really enjoying their time. The Junior League Rays progressing to the National Championship and the Little League Development Rays leading in their category. I think it speaks out to where we want to head as a club, given we have had 1 rep at these championships for the past 3 years, it's a really proud and exciting time for our club.

Personally, I was delighted to be inducted into the Klæbe Club for 2021/22 and thank the Klæbe club members for bestowing this great honour upon me.

Thanks again to all our coaches, volunteers, scorers, members, players, and parents for supporting the Woodville Baseball Club and really looking forward to next season.

Kind Regards,

**Tim Fawcett**

Chairperson, Woodville DBC

## Baseball Report

Senior numbers increased and this year we were able to field a division 3 team, which goes a long way to helping the club with bonus points for next season for Division 1.

We welcomed back to Woodville Troy Weinert to the Division 1 squad from Port Adelaide and he was joined by Chris Sims, Luke Rackebrandt, Joe Chapman, and Tyson McKee.

Division 1 was once again coached by Richard Olson assisted by Lawrie Moore and the great addition of Chris Sims who brought numerous years of experience coaching at the highest level. It was a season of ups and downs and saw the team finish 9<sup>th</sup>. Congratulations to Troy Nicholson on being selected for the BSA team of the year.

Division 1 Ladies – another great year by the ladies making the finals once again losing the first final in a close fought game. Thanks to Todd and his many helpers for the season hopefully we can see the ladies' teams grow and have a div 2 or 3 side.

Division 2 was again coached by Daniel Chapman & Ryan Muggleton. The team narrowly missed out on finals missing out by 1 point with many games very close. Hopefully the finals will be on the horizon for these guys next season.

Division 3 coached by Shane Brown made the finals finishing 3<sup>rd</sup> after the minor round and unfortunately, they lost in the second round to the top ranked side Souths. To cap off a great season Joe Chapman took out the association medal for Division 3. Congratulations Joe.

Division 6 coached by Tim Fawcett came up against some very strong opposition during the season but continued enjoying playing and representing the Senators.

Division 7 also coached by Tim Fawcett these guys just keep on getting the job done and made the finals again this season finishing 4<sup>th</sup>, after winning their first final they lost the preliminary final.

Division 8 once again coached by Shane Lodge welcomed some new players to the team and had a great start to the season before finishing 8<sup>th</sup>.

I am sure Megan Oliver will have a detailed report on the Juniors for everyone to read and my thanks goes to Megan and her helpers for their work increasing our juniors' numbers. This is where the future of the club needs to start.

Congratulations to all our trophy winners for the season and a special mention to Shane Brown on winning the Mark Biggins Award at senior presentation.

Well done to the following players who achieved game milestones during the season.

**700 games Grant Behrendt**

**500 games Troy Nicholson**

**400 games Rhys Owen**

**200 games Aaron Petros**

**200 games Lawrie Moore**

My thanks to my fellow Board members again this year for all their efforts. It is a pleasure to work with you all.

Finally, thanks to everyone who has volunteered their time this season be it coaching, scoring, working on the grounds or in the canteen or just coming out and supporting it all helps to make Woodville a stronger club.

Looking forward to seeing everyone at the Club next season. GO Senators

**Jane Nicholson**

Baseball Director

## Facilities Report

This past season with help from a couple of volunteers we were able to re-invent the opposition bullpen. We measured ours and duplicated this for the other side. Donations of timber by Craig Reval and paint from Andrew Sullivan allowed us to complete this project without incurring any costs. With the help of Paul Yardley and Craig Reval, we were able to level the third and second base edges. This was an enormous amount of digging and at times I thought my helpers were about to pass away.

Behind the shed with help from Wade and Lawrie Moore, three boxes were erected for sand, clay, and clay bricks. This area looks clean and tidy now. The fences were erected in time again with help from our volunteers.

The John Deere mower will hopefully have a tow bar added with help from Todd Dunstall, this will help with odd jobs around the club. The old Greenfield mower is still in operation and thanks to Derek Milne, is still in good working order.

The grounds looked good for most of the season with some help from the council and timely rain. At times we had too much rain and our new tarps helped keep the bases dry so games could still be played. I think we can be happy with the way the bases presented for the games. They were watered three times a week after Christmas which did help enormously. I weeded the bases and trimmed the edges and few times during the season to keep up appearances. With help and guidance from Lawrie Moore the fences were whipper snipped during the year and this makes a big difference.

I would like to thank a few people:

- Shane Nicholson and his crew on Saturdays for setting up the diamond.
- Lawrie and Wade Moore for constructing the clay boxes, fixing things, and offering support.
- Lawrie Moore again for providing the new rubber mat for our dugout
- Shane Lodge for support, advice, and helping me paint the bases.
- Derek Milne who put his hand up to help fix the Greenfield mower again, plus a few other things.
- Craig Reval for helping me with the grounds on Thursdays in Summer and Winter. I am still looking for help so if you can offer any time at all it would be greatly appreciated.
- Andrew Sullivan for offering a community day to paint the side of our shed in September

Once again, we will not be having a weeding day this coming season. I will have help from Craig Reval through the off-season with the bases. We weed them often and edge when needed. We have cleaned the fridge in the shed again, attempting to clean the club BBQ and cleaned our dug out and replaced the rubber matting. We constantly mow behind the shed to keep the weeds down and still mow behind the home plate.

A project we have in mind is the base edges. We need lots of help with this. A date has not been confirmed at this time.

Once again, I have enjoyed helping around the club and I find it extremely rewarding knowing that my small contribution helps to keep the grounds in good condition.

Regards,

**Noel Watson**  
Facilities Director

# Club Report

A busy year for season 2021-22,

Unfortunately, thanks to COVID-19, we were unable to have a large capacity of members in the clubrooms for most of the season, which contributed to the cancellation of social events. Thank you to all the members for continuing to stick around for a drink or a meal on Thursday nights and game days. Your support is greatly appreciated.

Thank you to the 5023 Committee, who were successful in winning a Fairmont Homes Grassroots Grant for \$2,500.

The Canteen and Bar ran at a great profit this season, which helps the club significantly. A big thank you to all of our volunteers this season, who helped run the canteen run smoothly on game days, Thursday nights, and social events.

Thank you in particular to our regular volunteers, Jo Owen, Jane Nicholson, Alyssa Owen, Renae Kortekaas, and Pattie Tucker, who all continue to give so much of their time for the benefit of the club.

I would also like to thank Megan Oliver and Molly Brown, as well as the junior parents who have done a great job stepping up to volunteer this year, it is much appreciated.

As always, a big thank you goes to Johnny Russell for continuing to run the Bar.

Finally, I would like to thank my fellow board members for all their contributions and for their support during the season.

Regards,

**Lucy Owen**  
Club Director

## Junior Report

The Junior Senators season started back in Term 3 July 2021 - we started with school clinics at Brompton Primary School and Prospect Primary School that were run each week for 4 weeks with Carly Moore and Molly Brown and with the help of our Junior League player Indie O'Hazy Zschorn. These clinics were a huge success and a great way to start our recruiting, we then ran our annual Junior Academy which went for 6 weeks on a Wednesday night at Seaton High School with Lawrie Moore and a group of junior coaches and on a Friday night at our Woodville Tunnels with Carly Moore and Shane Brown. We had 45 kids complete the course and again we found some exciting new talent that wanted to play baseball for our club. We then held our annual Come and Try Day, Girls Development Clinic, City of Charles Sturt School Holiday Clinic and Junior Senators School holiday clinic as well as starting pre-season training.

This season we had 84 junior players register - 79 of those either participated in our T-Ball program or played in a Senators team. The other 5 players were juniors who played in our senior teams. That number is a massive improvement from the season before and I thank you all of coming to the Woodville Baseball Club to play baseball for our club.

This season we had a brand-new T-Ball Program that was run by Shane Brown with the help of Molly Brown, Owen Williams and junior players Alice Brown, Dakota Ding, Chace Wallis, Archie Wallis, and Jack Robson. We had 21 T-Ballers and each week they would come out with so much enthusiasm for the hour that they were here. They learnt how to catch, throw, bat, field and have fun! Quite a few of the kids are eligible to go into baseball teams next season so I am hoping that's the path they would like to take.

We nominated 5 teams with Baseball SA this season to play in the local competition -

- Pee Wee Team
- Minor League Team
- Little League Division 1
- Little League Division 2
- Junior League Division 1

### **Pee Wee**

Thank you to Gavin Watson, David Lodge and Shane Lodge for taking on the coaching roles, along with team managers Natasha Oliver and Steph Harnett. We had 9 boys in this team who were for the most part very enthusiastic, and improved as the season went on. They worked well together when they were listening and being co-operative. (Participation is recorded - no official score)

### **Minor League**

Thank you to Nate Oliver, David Ding and David Lodge for taking on the coaching roles and Jess Hadley for being team manager and Phil Zschorn for being the team scorer. It was challenging having so many players in one team for equal game time and opportunity, but the coaches did an exceptional job to manage this. The team did really well for not having a lot of baseball experience either coming up from Pee Wee or new to the game.

There were 3 or 4 experienced players who helped guide these new players and that is a credit to them. Wins 7/Losses 10 (15th out of 24 teams)

### **Little League - Division One**

Thank you to Shane Brown, Shaun Wallis and Heath Forward for taking on the coaching roles and Kelly Forward for being the team scorer. This team was the unluckiest team in the competition having lost a hand full of games by the narrowest of margins prior to Christmas - they were all a little deflated at the mid-season break but after Christmas they won 4 out of 7 games and finished off fabulously. It was definitely the right decision to place this team in a division one competition. Wins 4/Losses 12 (12th out of 13 teams)

# WOODVILLE DISTRICT BASEBALL CLUB ANNUAL REPORT 2021/2022

## **Little League - Division Two**

Thank you to Tim Fawcett and Scott Kumar for taking on the coaching roles and Michelle Perkinson for being the team scorer. This team had the bare 9 players, and most weeks needed a fill in player from the Minor League or LL D1. Whilst this team was a little inexperienced, they had a lot of heart and did really well.

CONGRATULATIONS to Anton Kumar who was in the Top 5 Best & Fairest Votes for Baseball SA 2021/22. This was Anton's second season of baseball and his first season in U13 and as a pitcher. Unfortunately, Anton fractured his wrist early in the second half of the season and wasn't able to play many games. What an achievement – Well Done Anton

Win 3/Draws 1/Losses 13 (9<sup>th</sup> out of 10 teams)

## **Junior League - Division One**

Thank you to Shane Brown, Justin Randall, and Shane Nicholson for taking on the coaching roles and Renae Kortekaas for being the team scorer. This team struggled for most of the season - they did not score enough runs and the field struggled to back up their pitchers. In hindsight we, as a board, probably shouldn't have nominated such an inexperienced team in division one. The lesson has been learnt for the future.

Wins 2/Losses 15

At the Junior Presentation we acknowledged the 50 Game Milestones players for the Season 2021/22

- Archie Wallis 51 games
- Remy Brooks 52 games
- Alice Brown 54 games
- Vincent Zollo 54 games
- Oliver Van Dommele 58 games
- Chace Wallis 60 games

This year we had 11 players, 2 coaches and a team manager represent our club at the State Charter Championships in April. Congratulations on an exciting and fun weekend of baseball.

## **JL RAYS**

Toby Kortekaas and Oliver Hayes  
Team Manager - Renae Kortekaas

## **IL SEAHORSES**

Indie O'Hazy-Zschorn

## **LL RAYS DEVELOPMENT**

Chace Wallis, Archie Wallis, and Luke Fawcett  
Coaches - Tim Fawcett & Shaun Wallis

## **LL AXOLOTLIS**

Alice Brown, Dakota Ding, Riki-Lee Oxenham, Ruby Webber, and Jasmine Fawcett

Congratulations to the Junior League Rays representatives who won their way into the National competition that is being held at West Beach in May/June. Finally, whilst the Rays Development, Axolotls and Seahorses were not competing to go to Nationals the standard of play was exceptional.

We would not be able to put junior teams on the field without the following coaches - Shane Brown, Molly Brown, Owen Williams, David Lodge, Shane Lodge, Gavin Watson, Nate Oliver, David Ding, Tim Fawcett, Scott Kumar, Shaun Wallis, Heath Forward, Justin Randall, Shane Nicholson, Lawrie Moore, Carly Moore, and Josh Mignone.

## WOODVILLE DISTRICT BASEBALL CLUB ANNUAL REPORT 2021/2022

Also, junior players who coached T-Ball and the school clinics - Alice Brown, Dakota Ding, Archie Wallis, Chace Wallis, Jack Robson, Indie O'Hazy-Zschorn. Thank you for the time and effort you put in for our club.

Thank you to all of the volunteers who have helped throughout the season from getting the grounds ready on a Sunday morning, volunteering in the canteen on a Friday night and Sunday, cooking the BBQ, selling raffle tickets and lucky squares, helping coach throughout the season, scoring and umpiring. Thank you to the parents and caregivers who bring their kids out to training and games - we know it's hard sitting there watching in the cold and rain or heat. Thank you for being a part of our baseball community.

Thank you to the Hayes and Fallon Families who decided before the season started that they would drive their boys down from Mildura every weekend to play baseball for our club.

Unfortunately, it was a wait and see game for the first couple of months due to Covid. Finally, they all got their chance to play, and boy are we thankful as a club that you did - you were a breath of fresh air! Thank you, Oliver, Benji and Diesel for coming to play for our club and thank you Daniel, Mandie, Gary, and Anita for taking time out of your busy schedules to drive down every weekend at your own cost to play for our Little League and Junior League teams.

Thank you to the Original Pancake Kitchen who supplied our monthly Junior Senators awards and to Club 5023 for the funding necessary to use Seaton High School and supplying brand new playing tops for the 2021/22 season.

Finally, thank you to Jo Owen, Jane Nicholson, Tim Fawcett and the WDBC Board for your assistance throughout the season. I enjoyed taking on the role of Junior Director and loved watching the kids enjoy their baseball. Go Senators!

Regards,

**Megan Oliver**  
Junior Director

## Marketing Report

This year we continued to acknowledge the below businesses and families for their valued support over the 2021/22 season.

Sponsorships, both corporate and club, provide vital financial support to our club. This assists us in maintaining and upgrading our facilities and equipment, without the need to continually increase your fees. I encourage all our members to support our sponsors whenever they can.

### Gold Sponsors

The Lakes Hotel | The Fawcett Family

### Silver Sponsors

Glenelg BBQ Inn | Henley Motors | Tonkin Accounting

### Bronze & Community Sponsors

Bakers Delight St Clair | Garry & Trish Marsland | Garth & Shane Lodge | Keith Mortimore | Metropolitan Machinery | Moore Electrical & Maintenance Services | My Pool Guru | Seaton Park Meat Store | Pancake Kitchen Port Adelaide | Tridon Built

### Club Shirt Sponsors

APC Plumbing and Gas | Jay Duggin Painting | JP Solar and Electrical | Kidman Park Pizza House

With Covid-19 restrictions continuing for much of the season, we weren't able to do as many events as we would have liked, but it was nice to see members hanging around after games and supporting the club through the canteen & bar when they could. Hopefully next season we will be back to regular programming!

Thank you to all the volunteers who assisted in the running of our social events this year, especially to Jo Owen, Jane Nicholson, Renae Kortekaas, Lucy Owen, and Pattie Tucker, who were around in the canteen on many Thursdays, Fridays, and Saturdays, and to Johnny Russell for making sure the Bar was always full of stock.

Regards,

### Alyssa Owen

## Financial Report

The MYOB Accounting system has been used to record the finances of the Woodville District Baseball Club Inc. as at 30th April, 2022.

The following Balance Sheet and Income Statement have been prepared by Tonkin Accounting using the resources and information contained in the accounting system.

To my knowledge they are a true representation of the accounts of the Club as audited by Steve Tonkin of Tonkin Accounting.

The Profit and Loss statement shows us as running at a profit of \$14459. Great to see the profit is up this year due to increased Canteen and Bar Sales and increased Sponsorship.

The canteen continues to run at a great profit which helps the club considerably thanks to our hardworking volunteers that make this possible and to the members for supporting it.

Thanks also go to the 5023 Committee they were successful in winning a Fairmont Homes Grassroots Grant for \$2500. 5023 also paid for a new set of Junior Uniforms and the running of the School Clinics.

I would also like to thank outgoing Board Members for their work and effort. It's much appreciated.

**Jo Owen**

Finance Director

## Division 1 Report

The 2021/2022 proved to be another season of growth for our squad.

Much like previous seasons, we welcomed new and old players into the senior squad with the additions of Troy Weinert, Chris Sims, Luke Rackebrandt and Tyson McKee. Unfortunately, Tyson wasn't able to take the field this year but has worked tirelessly with Josh Tols and we are excited to see what he can bring to the mound next season.

Individually, Troy Nicholson, Wade Moore and Cesar Perez had outstanding seasons with the bat. Joel Chapman had an impressive start to the year on the mound and found his feet in the second half of the year contributing with the bat in the outfield. Once Tolsy was healthy he was lights out.

To the playing group, thank you for your continuing hard work and commitment both at trainings and on game days.

Thank you to Lawrie, Simsy, and Doggie for all your help this year. Thank you to Timmy Russell for being our batboy and our scorers Marie Mortimore and Jo Owen.

Thank you to all the volunteers in the canteen, ground staff and supporters.

Thank you again to the Club and Board for the opportunity to coach the Division 1 team.

We will build on the success of this season into the 2022/2023 season.

Congratulations to all Division 1 Award Winners

<b>Keith Mortimore Perpetual MVP:</b>	Troy Nicholson
<b>Batting Champion:</b>	Troy Nicholson
<b>Pitching Award:</b>	Josh Tols

Cheers,

**Richard Olson**  
Division 1 / Club Coach

## Division 2 Report

The season started off with a close game against South's where we narrowly lost, and our season unfortunately continued like this with a lot of missed opportunities, close losses and a couple of blown wins which showed at the pointy end of the season.

Congratulations go to our award winners this year all having very solid seasons with the bat, ball and in the field.

Congratulations to all Division 2 Award Winners

<b>Les Behrendt Perpetual MVP</b>	Mitch Finnemann
<b>Coaches Award</b>	Rhys Owen
<b>Coaches Award</b>	Tyson Hancock
<b>Batting Champion:</b>	Kieran Pett

We would like to thank a lot of people that helped out for season 2021-2022, our first goes to Lawrie for your wealth of knowledge and assistance all year on and off the field although at times getting you for the start of the game was difficult but we have been very lucky to have you helping us. Richard for your support with both of us being new to a coaching role.

Doggy and Sims for helping throughout the year on both sides with coaching and playing. Finally, to the club for once again selecting us as coaches for the season and we look forward to going another step next year.

And finally, to Jane and Jo for once again scoring every week, games don't go ahead without you, so we very much appreciate this.

Thanks,

**Ryan Muggleton & Daniel Chapman**  
Division 2 Coaches

## Division 3 Report

Wow! What a season. Firstly, I would like to say thank you to everyone for their support in getting this side together. It has been a while since we have had a Div. 3 side. We entered this team in the competition with great optimism, not really knowing how competitive we would be. We started the season with what would be our biggest loss for the season 17-0. It could only get better from here.

Round 3 we notched up our first win and looked more solid as players started to lock in their positions. The team was made up of old, young, female, and new players. Everyone respected each other and gelled well together. We were blessed with players that were flexible in their playing positions which meant we could change the team around to suit the weekly ins and outs. It was hard to have the same line up 2 weeks in a row, but by the end of the season we had 21 different players rotate through our team. A credit to all the players for coming into the side and getting the job done.

Our offense stood up time and time again and we were never shut out again after that first round. We ended up 2nd in the league for runs for with 168. This just shows how competitive we were as a group. It was great to have at least half the team blessed with speed which meant we could be aggressive on the base paths. Defence was good but I think we have some room to improve. We got better as the year went on. I guess you get more confident with the more games you play. A big part of keeping the runs down was a guy we put on the hill every week. Joe Chapman who pitched nearly every week for us was the foundation for this team's success. Joe had a great season ending up with 12 wins. It's no wonder he was the Div. 3 State League MVP winning the George Chapman medal.

We finished the season strong, winning 10 of our last 12 games and having a 5-game winning streak in there as well. After the last regular season game had been played, we found ourselves sitting 3<sup>rd</sup> on the ladder. This meant we would get a 2nd chance in the finals. We did need that 2nd chance as we came up against a confident Angels team and fell short by 2 runs. This loss meant we had to travel down south the following week to the home of the Hawks. The Hawks had the best record for the season and were streaks ahead of the rest of us. It was never going to be an easy game for us, as this team had only 37 runs against for the whole season. We gave it our best shot and had a crack with our, "It's hard to beat a team that never gives up" attitude. The game had several lead changes and ended up a battle to the end. We had the lead as we headed into the bottom of 9th. But the Hawks somehow managed to scrap a couple of runs together to win the game. This game was a great contest but left us all feeling so empty. What could have been? It hurts losing like this, but I would do it all again.

Congratulations to our award winners for the season

<b>Most Valuable Player</b>	Joe Chapman
<b>Batting Champion</b>	David Lodge (.472, 26 hits, 17 singles, 7 doubles and 2 home runs)
<b>Golden Glove</b>	Kosuke Ikeda.

All 3 winners were excellent team players.

Thank you to our scorers Kerryn Fry and Molly Brown. It is great having people there week in week out to rely on. You ladies did a great job of keeping the book up to date and having all the stats tallied. Really appreciate it.

Thank you to Richard Olson for convincing me to coach the Div. 3 team. Richard also supported me and the team throughout the year. He made sure we had enough players each week. Even if it did mean that he played himself! I look forward to going around again next season and giving it another crack.

**Shane Brown**  
Division 3 Coach

## Division 6 Report

Div. 6 did it tough, struggling for players most of the year. Probably in part due to the Div. 3 success we had 1 win and 1 draw in the final game which was a come from behind some felt like a win. Well done to some new guys and the younger guys for toughing it out all year and putting in your best efforts.

A big thankyou to Renae Kortekaas for scoring each week and to Keith Mortimore who came out and assisted me each week also. Very nice to see some new players at the club play in this grade-Scott Harmer, Leigh Pedder and Shaun Wallis all performed admirably throughout the year. A big thanks also the Div. 7 players who regularly filled in Behr, Nick McCormack & James Stradling.

Award Winners:

**Most Valuable Player:** Casey Moore. Casey again toiled hard week in week out on the mound and has developed some good all-around consistency. Well done, Casey.

**Batting Champion:** Tim Fawcett. Batted a .526 average all season.

**Best Team Man:** Owen Williams. Owen competed well all year and played in several positions, Owen also volunteers with our T Ball team and is a good all-around young club man. Well done, Owen.

**Tim Fawcett**

Division 6 Coach

## Division 7 Report

Div. 7 the other team I coach again had another top season, going down in the Preliminary Final to Adelaide but were super competitive all year again and finished 3<sup>rd</sup> for the season. Great to play with this group of guys who in most parts are highly experienced with thousands of games and some new faces also well received in the side this year.

Some really top performances again including a couple of close tussles with Sturt the eventual premier, a great mercy rule win against East Torrens in the first final was fantastic given only a few weeks earlier they flogged us at Payneham.

A big thanks to Renae Kortekaas for scoring each week, Scott Currie for regularly umpiring for us and banter off the field and Garry Marsland in assisting after his lay off with surgery and for all the guys for making it an enjoyable time. Thanks to Di & Andrew Sullivan for hosting our end of season show at their place which all enjoyed.

Award Winners:

**Most Valuable Player:** Grant Behrendt, Behr again had an outstanding season with an ERA around 5 when pitching and hitting .540 led the way in the teams strong showing.

**Batting Champion:** Nick McCormack, in his fourth full season of baseball. The man with more nicknames than anyone I know had an outstanding year with the bat leading the team with an average .579 with 37 hits and led the team in RBIs and also base running "stuff ups" well done Stinko, Ivan and any other name you have

**Best Team Man:** Noel Watson, Noel is always happy to play where you put him and does the team thing, a good all-around club man. Noel has been instrumental in managing our facilities and grounds for the past season or two and is doing a great job. Well done Groundskeeper Willie.

Kind Regards,

**Tim Fawcett**

Division 7 coach

## Division 8 Report

This was a great season, played with great mates. We had a couple of new players come out this season, Greg Oxenham, Justin Randall, Eddie Ansell, and we welcomed back Shane Nicholson, returning after his knee injury. This season we finished one game outside the top six just missing out on the finals. Brad and Aaron both had a great season both finishing in the top 10 in Div. 8 Capps Medal count.

We had a fast start to the season winning the first seven games. Then the team got brought back down to earth by East Torrens, losing by ten runs. Halfway through the season we were 7-3 looking at finals. Then Christmas break came, and we lost the next eight games. Brad, Aaron, and Shane did a great job on the mound, not to mention the other positions they played as well. Lawrie Sinclair had a great year at third base.

Aaron Petros had a fantastic season winning the MVP award and coming 8th in the Div. 8 Capps count. Aaron spent time on the mound and centerfield, and also played other positions. Aaron hit well this season, and stole many bases.

Brad Atkinson had a great season with the bat, finishing with an average .526. Brad had a good year on the mound and played well at first base. Brad finished 9th in the Div. 8 Capps count.

Shane Nicholson had a great year, winning the coaches award. He is a player that would be out at every training and game. Shane would help before and after every game with setting up and packing up.

A big thank you goes out to Judy Currie for scoring. I don't know how you put up with us week after week, hope to see you next season. Thank you goes out to the lovely ladies who work in the canteen for us during our home games and scoring when Judy was away. It was a very enjoyable season; I am looking forward to seeing everybody come back next season and go again.

Award Winners

<b>Most Valuable Player</b>	Aaron Petros
<b>Batting Champion:</b>	Brad Atkinson
<b>Coaches Award:</b>	Shane Nicholson

Regards,

**Shane Lodge**  
Division 8 Coach

## Women's Division 1 Report

Congratulations to the girls for sticking out another long year and another finals campaign. In a year riddled with covid cases, injuries and busy calendars, the girls managed to grind out an otherwise fun filled and successful year.

Thank you to Jo Owen for scoring all season, and Kerryn for filling in. Another thankyou to Wade Moore, Tom Dineen, and Carly Moore for assisting coaching this season.

Congratulations to Carly Moore, Megan Boers-Veen, Darna Boers Veen and Sarah McMahon for making the Baseball SA Women's Division 1 Team of the Year, and to Jo Owen for being selected as the Women's Division 1 scorer of the year.

Congratulations to Darna Boers-Veen, Sarah McMahon, Kenzi St George and Alyssa Lasscock for being selected to be in the All-Star Game.

Another congratulations goes to Carly Moore for being selected as a part of the Adelaide Giants squad.

And finally, a personal congratulations to Darna Boers-Veen and Megan Boers-Veen on their marriage.

I look forward to another good season with this group of legends.

### Todd Dunstall

Women's Division 1 Coach

## Junior League Division 1/Under 15 Report

This team was made up of second year Junior League players: Toby Kortekaas, Zach Stanmeyre, Indie O'Hazy Zschorn, Vincent Zollo. First year Junior League players: Matthew Nanasi, Rheece Hackworth, Jack Robson, Oliver Haddow, Oliver Van Dommele, Noah Atkinson, and Luka Calic. We also had 2 players come down from Mildura: Oliver Hayes and Diesel Fallon. We used fill-in players from Little League: Alice Brown, Chace Wallis, Dakota Ding and Remy Brooks. You would think with 13 regular players that we would not have to use lower grade players. But we had injuries, sickness, covid restrictions and border crossing rules that kept players from making it onto the field.

However, we managed to get enough players on the field each week to have a game. We started the year with a loss, and it set a trend for the next 16 games. Our first win came in round 18 when we discovered a new pitcher in Oliver Hayes. Oliver came from Mildura, and I personally had no idea what to expect from him. I was pleasantly surprised to see the quality of player that could throw strikes and keep a batting line up quiet. Oliver and Diesel were both a breath of fresh air for the team. We went on to notch up back-to-back wins against Henley & Grange and Glenelg. It was a long season losing most weeks and playing against a grade far more skilled and blessed with ability. The Division 1 league proved we were way out of our depth, and I cannot see any benefits from playing this group in such a high grade. We did have some highlights and some great efforts throughout the season.

**Most Valuable Player & Batting Champion:** Toby Kortekaas. Toby had a solid season, and he was a player that I relied on. I moved Toby around the diamond looking for the right mix for the team and himself. His best position was behind the dish, and he worked well with Oliver Hayes. Toby batted well with a healthy average. Toby won our MVP award and the batting trophy, topping off a consistent season.

**Coaches Award:** Zach Stanmeyre. Zach is a kid blessed with speed and a keenness to learn. Zach was noticed by a lot of the other coaches because of his ability to beat out an infield hit. A lot of his hits came from being quick out the box and his lightning speed up the first base line. He had one of the best batting averages in the team falling just short to Toby. Zach won our coaches award earning a great deal of respect from his peers.

Congratulations to Toby Kortekaas and Oliver Hayes on making the Rays Charter team and winning their way through to play in the National Charter tournament. I would like to thank Justin Randall for assisting coaching all year. Justin contributed in any way he could all year. He was always there when I could not make it and he got the players going before the game every week. I think Justin was a massive help and he could move up to being a head coach himself.

I would like to thank Shane Nicholson for helping when he could which ended up being nearly every week. Shane was a great help adding his wealth of knowledge to games and training. This group was blessed to have someone of his calibre helping.

I would like to thank Renae Kortekaas for scoring every game for the whole season. Renae is a great help not just for scoring but to get some feedback when I had run out of ideas and answers. Having someone there every week and not having to rotate or roster different people each week makes it so much easier on myself.

I would like to thank Megan Oliver for getting this team and coaches together and all the social media updates to keep the season moving along. The juniors have come a long way in the last few years, and I thank Megan for being such a big part of this movement.

I believe the club has a bright future with our juniors, both female and male. I have enjoyed being part of the players' development. I look forward to watching these players in the future and wish them all the best. Some players get it sooner than others, some players develop earlier than others. The main thing is to have fun and then maybe one day or year it will all fall into place.

### Shane Brown

Junior League Division 1/U15 Coach

## Little League Division 1/Under 13 1 Report

This team consisted of 5 first year players: Hugo Marshall, Archie Wallis, Chace Wallis, Remy Brooks and Benji Hayes and 6 second year players: Alice Brown, Dakota Ding, Bodhi Forward, Will Stock, Jacob Atkinson, and Caleb Sinclair. We had a competitive season but unfortunately, we were on the wrong side of some close losses. We were winless for the first half of the season. This group of players worked hard on the training track. Each week we were getting closer to a win. The players were not getting reward for their effort and confidence was starting to fall away. We decided to take the pressure off the group and try make it more fun. We finally got a win in round 17. This kick started our confidence, and we went on to win the next 4 out of 6 games; only dropping games to grand finalist Adelaide and a West Torrens team packed with Rays players. The LL1 team will be better for this experience in Division 1 next season.

We had great games winning and losing. But one game that sticks out in my mind was our game against Glenelg. It was a seesawing affair with the lead changing many times throughout the game.

We made errors, we made catches, we got hits and scored runs, this game had everything. We went into the field in the bottom of the last innings with a 6-7 lead, so no room for error! Alice took to the mound with a lot of pressure coming from their bench. But to her credit she went about her business and struck out the next 3 batters to go home with the win! I was proud of this group and how they turned things around. If only we found our mojo earlier, who knows how far we could have gone.

We had some great individual efforts and some consistent efforts throughout the season. I would just like to acknowledge these players.

**Golden Glove:** Chace Wallis. I could have used Chace anywhere in the field because of his effort to go after the ball. He played at first most of the season to make sure the throws coming across the diamond were outs. He has a really good work ethic and quite a clean glove.

**Batting Champion:** Archie Wallis. Archie swung at anything close to plate, it did not have to be a strike. If it were within his reach, he would swing at it usually resulting in a hit. He is very competitive in the box and has a confident attitude when looking for a hit.

**Most Valuable Player:** Alice Brown. Alice is a great competitor, and her best work is done on the mound. She has high strike percentage and a strong arm. She takes on pressure situations and rises another level. She can hit as well coming 3rd in the batting averages.

The team had great support around them. Thanks to all the parents/care givers that helped get the players to trainings and games, the pitch counters that rotated through, our scorer Kelly, our assistant coaches Shaun and Heath, and Megan for helping with all social media updates. I thank you all.

I look forward to keeping an eye on this group with their progression and development into great ball players. The club has a sound future with this group, and I cannot wait to see how this group transpires. This group will split up again next season with some staying in LL and some moving up to JL. These players will need to start the season with confidence and make a real push towards being successful on field next season. I believe in this group and hope they believe in themselves. Kind regards,

Thank you,

**Shane Brown**

Little League Division 1/ U13 1 Coach

## Little League Division 2/Under 13 2 Report

Our team performed well during the season, most weeks we had the bare 9 players and some of these players had not played before. A big thank you to Nate Oliver and the parents and players of our Under 11 Minor League and Under 13 Div 1 teams who assisted by filling in at times if we were a player or two short.

We had 3 wins and 1 draw for the season-one against eventual Grand finalist Goodwood and another against the strong Southern Districts team who were top at the time. There were some really outstanding efforts throughout the season.

Congratulations to Anton Kumar who made the top 5 vote getters in the League and to Luke Fawcett, Rikki Lee Oxenham, Ruby Webber, and Jasmine Fawcett who represented the Rays and Axolotls Development teams in the state charter championships in April 2022.

Trophy Winners were:

**Most Valuable Player:** Anton Kumar. Anton had an outstanding season gaining top 5 vote getters for the league and did a great job pitching which he hadn't done previously, also 2<sup>nd</sup> in the batting title he had a great all-around season. Unfortunately, post-Christmas broke his wrist which put a dampener on things for his season. Well done, Anton.

**Batting Champion:** Luke Fawcett. Luke batted .420 and was consistent all season. He was tough behind the plate, starting most games catching, and then later in the season did some pitching also when his team needed it. Well done, Luke

**Coaches Award:** Ruby Webber. Ruby only started just before Christmas in Minor League the previous season and is really developing her game well. Played in a number of positions including pitching and catching and is really coming along well and getting some consistency in her baseball. Well done, Ruby.

### Tim Fawcett

Little League Division 2/U13 2 Coach

## Minor League/Under 11 Report

Minor League (under 11) continues to be one of the largest competitions, with 24 teams playing through the 2021/22 season, that were then separated to North and South divisions for the finals. We battled away through the season, from the cold and rain at Christies Beach in October to the heat and dust at Gawler in December. Finals were a possibility coming down the stretch but unfortunately, we lost our last three games to end with a 7-10 record.

This season we fielded a team of 13 players, comprised of a mix of four players who had played Minor League last year, three who had moved up from Pee Wee, and six players who had never played before. It is a testament to the great work and focus on our Junior Senators that we see new faces joining the club and enjoying themselves while learning a new sport. Additionally, Woodville's promotion and support of women's baseball continues to be reflected at a junior level, with five girls playing Minor League this year.

With a relatively inexperienced playing group, one of the main challenges we faced during the season was that none of the players had any experience as a pitcher or a catcher. We were fortunate to identify two quality pitchers — Felix and Kyla — early on and relied heavily on them throughout the season. They were supported by Jason, Riley, Beau, Mason, and Remy who were prepared to give pitching a go and embraced the challenge of trying to throw strikes from 43 feet away. Both Riley and Mason were confident and brave enough to catch to Felix, who had one of the strongest arms in Minor League, and they performed exceptionally well. We were also very well served by Poppy and Jessica as catchers, with Jason and Beau getting some experience in a few games.

The season had several highlights, with all our new players getting their first ever hit, and all the team crossing home plate to score a run. Particular highlights included: Felix striking out all 3 batters in a 10-pitch innings away at Henley & Grange; Aiden having a 2-hit game away at Goodwood; both Jason and Beau hitting 3 for 3 against Southern Districts; and narrowly losing 11-10 to a Sturt team who went through the season undefeated.

**Most Valuable Player:** Felix Oliver. Felix was our MVP award winner; he had an outstanding season with bat and ball and led the team in the official league umpire votes. Felix finished the season with a team leading 13 hits and having never pitched before this season he struck out 50 batters and gave up only nine hits.

**Batting Champion:** Riley Sinclair. One of our new players, Riley demonstrated his ability with some great hitting and took home our Batting Champion award after compiling 11 hits — a fantastic effort for a first-year player.

**Coaches Award:** Kyla Ding. Kyla was judged to be our Coaches Award winner after a series of strong performances on the field with bat and ball, for her displays of resilience on the pitching mound, and for her teamwork and dedication in training. Well done, Kyla.

As a first-time baseball coach, I was very lucky to be ably assisted by David Ding and David Lodge as my assistant coaches, appreciative of all the help and support from Megan Oliver and Molly Brown, and grateful for the advice and wisdom shared by Shane Brown, Tim Fawcett, Grant Behrendt and Lawrie Moore. This season was one of growth and learning for me, as well as the players, and I'm indebted to each of you for your support, guidance, and inspiration.

I would also like to thank the wonderful volunteers who helped with the running of our Minor League games: Phil Zschorn and Tanya Ding for scoring; Jess Hadley for her efforts as Team Manager organizing the players in the dugout; and Noel Watson and Shane Nicholson for preparing the main diamond where we were fortunate to play our home games. A massive

## WOODVILLE DISTRICT BASEBALL CLUB ANNUAL REPORT 2021/2022

thanks to each of the Senior players who umpired our home games across the season, especially with the early start time.

Lastly, my thanks and a big congratulations to my team — Remy, Jason, Aiden, Lily, Felix, Beau, Riley, Mochi, Kylah, Poppy, Olive, Jessica, and Mason. Seeing each of you improve and progress through the season, achieve team and individual success, and gel as a team are the real joys of junior coaching. I am proud of our efforts this season and wish you all the best for next season and beyond.

Cheers,

**Nate Oliver**

Minor League/U11 Coach

## Pee Wee Report

I would like to thank the Club for the opportunity to coach the Pee Wee side for the 21/22 Season. We had 9 players listed to play for the season and through good fortune and the team's general eagerness we had the full quota of players almost every weekend. Thank you to Nori and Honor who came up from T-Ball to fill in.

We saw the introduction of a couple of new players to the team, with most of the side made up of players returning from last season. Seeing so many return players is a testament to the work that Shane and David Lodge put in last year.

Friday night trainings were always interesting and often fun, with a major focus on baseball fundamentals, these being throwing, catching, hitting and base running. Over the season individual and team skills improved.

I would personally like to acknowledge and thank the following people:

Tash Oliver for her tremendous efforts as team manager. As you can appreciate organising a bunch of exuberant, energetic young boys can have many challenges, Tash was great at bringing a level of order to Sundays.

David and Shane Lodge for their experience and expertise on Friday night trainings and Shane for his tutelage of the boys in batting and field placement on game day. This absolutely has continued the players growth and helped set them up for the step up to the bigger leagues next or future seasons.

Megan Oliver and Molly Brown for the immeasurable time and magnificent effort they have put into the junior program. The growth and depth in player numbers has placed the Club in an exciting position for now and the coming seasons.

All the parents, guardians, siblings, family, and friends who came out supported, assisted, and celebrated the team's efforts throughout the season.

Alex, Angus, Edison, Isaac, Jacob, James, Kasper, Ollie, and Sebastien, well done on a memorable season. I hope to see you all out next year as you continue on your baseball journey.

Kind regards,

**Gavin Watson**  
Pee Wee Coach

## T-Ball Report

This season we changed up our T-Ball program and got some amazing results. We had 25 kids aged from as little as 3 years old to 8 years old. Changing the time slot to 4:30-5:30 proved beneficial for multiple reasons; it meant the little ones weren't rushing home to bed, we had a lot of older junior players coming out a bit earlier than their trainings to help and the kids weren't as tired when the time came around.

Weekly participation fluctuated with COVID-19, but we had a good core group of kids who developed over terms 4 and 1. Each week we did a range of drills to develop their hand-eye coordination and teach them the basics of baseball. Their progress was evident when it came time to play proper little baseball games.

Overall, these kids all developed great skill and we look forward to having them all back next season with some more fun drills and games to try with the group!

Thanks to our coaches Shane Brown (Coach Doggy), Molly, Owen, Alice, Dakota, Jack, Chace & Archie.

**Shane Brown**  
T-Ball Coach
